**Yes, It Is Exactly
Five Years Today That

First Opened for the

tonians.**

IN the face of the most discouraging predictions for our future, we have proven that a "Prophet is without honor in his own town," for Erlebacher's have accomplished so much in five years that they themselves would never have dared prophesy. It is evident that just such a store as Erlebacher's was needed in Washington, for no other new store ever found such a vast clientele awaiting it. Our policy, which has meant our success, is Reliability, Service and Courtesy. Erlebacher's are today recognized as the House of Exclusive Styles, the House of Quality, a house where the most elegant garments can be found at no extravagant cost. During the coming years we hope to still further carry out everything to benefit our customers. We Thank You most heartily for the kind patronage of the past five years and hope to have the pleasure of serving you in the future. For anniversary week we will offer 5% discount.
